

PROJECT BACKPACK

**IF YOU'RE PASSIONATE ABOUT HELPING KIDS THEN
THE PROJECT BACKPACK BRIGADE NEEDS YOU!**

For 20 years, Project Backpack has offered love and support to thousands of displaced children delivering customized backpacks loaded with comfort items and necessities when they need it most -- during crisis situations.

There has never been a better time to get involved with Project Backpack. We're growing quickly so if you can spare a few hours a month (from your home or at our facility), you can help us in many ways including:

- Administration (Clerical/Office Work)
- Outreach and Community Awareness
- Fundraising
- Warehouse operations (filling backpacks)
- Purchasing and product procurement
- Website and social media
- Media, Video production and technology
- Special Events (ie: Annual Luncheon)

If you or your group would like to help, fill out the [application](#), or email mel@backpack.org for more info. Use your passion to help make a difference in the life of a child in crisis. We hope to see you at the warehouse soon!
